

You're Invited!

You're invited to an open house to learn about **Inquiry Hub**, an award-winning secondary school in Coquitlam. Come and meet our current students and teachers. Check out our Maker Space and robotics. Experience some interactive, student-led sessions on a variety of topics.

Inquiry Hub is a public high school of choice that provides students the opportunity to connect, create and learn in a technology-enabled, personalized, and blended learning environment. It has been recognized for its leadership in education, winning the 2015 Canadian Education Association's Award for Innovation in Teaching and Learning.

If you are a motivated learner who works independently and has a passion to learn about things that interest you, then come learn with us at **Inquiry Hub**!

A unique, personalized approach to teaching and learning...right here in Coquitlam!

Inquiry Hub Open House
Thurs. Jan. 14, 2016 at 6:30pm

I'm interested in the field of engineering and Inquiry Hub provides me with unique opportunities and resources to help me succeed in university.
-Jay

Inquiry Hub lets me explore my interests and passions during the school day.
-Nicole
