

## Appendix B - Temperature

Bolte, M. (2000, February). *Nuclear Fusion in the Sun*. Retrieved April 3, 2020, from Unolick:  
[http://www.ucolick.org/~bolte/AY4\\_00/week6/sun\\_fusion.html](http://www.ucolick.org/~bolte/AY4_00/week6/sun_fusion.html)

Cool gas, fewer and less energetic collisions

Hot gas, more and more energetic collision
