

Reflection 1 - Goal Setting

10 points possible

Description

None

Grading criteria

Edublog Skills

Weight 50%

Exceeding Expectation 4 points

Can create a new blog post, put it into the right category, and format the text to be visually appealing.

Meeting Expectations 3 points

Can create a blog post, put it in the right category, and format the text to be clear.

Minimally Meeting Expectations 2 points

Can show a couple of the needed skills to finish and format the post, though it may not be in the right category.

Approaching Expectations 1 point

Can create a new post but may not be able to navigate and use the editing tools.

Not Attempted 0 points

Was unable to submit a new post to Teams.

Reflective Capacity

Weight 50%

Exceeding Expectation 4 points

Has 3 or more specific goals for each of the following categories: family and friends, education, and health. Has a good explanatory sentence for each goal. Everything was specific and well-explained.

Meeting Expectations 3 points

Has 3 general goals for each of the following categories: family and friends, education, and health. Has a sentence explaining each goal. Some areas needed to be explained better or more specific.

Minimally Meeting Expectations 2 points

Has 1-2 general goals for each of the following categories: family and friends, education, and health. Missing few explanatory sentences.

Approaching Expectations 1 point

Has 1-2 general goals for two of the categories. Missing few or all explanatory sentences for each goal.

Not Attempted 0 points

Incomplete or has 1-2 general goals for one of the categories. Does not have a sentence explaining each goal.
