<p>How does the artifact you selected demonstrate strengths & growth in the communication competency?</p> <p>In what ways might you further develop your communication competency?</p>	<p>Self-Reflection Describe how the artifact you selected shows your strengths & growth in specific core competencies. The prompt questions on the left - or other self-assessment activities you may have done - may guide your reflection process.</p> <p>My video ties in with what I have learned before because I have always known that littering is a big problem because it affects the environment in a bad way but my thinking has changed through my research on the topic because now I know how the litter affects the animals and it is a worse problem than I thought before.</p> <p>Strategies I use to decide whether to believe something I read are: Looking If multiple sources say the same thing, finding the credibility of the source and not believing something right away. I came across these strategies from my middle school teachers.</p>
