

Core Competencies Self-Assessment

Name: Josh Thompson

Date: 2019 11 19

How does the artifact you selected demonstrate strengths & growth in the communication competency?

In what ways might you further develop your communication competency?

Self-Reflection

Describe how the artifact you selected shows your strengths & growth in specific core competencies. The prompt questions on the left - or other self-assessment activities you may have done - may guide your reflection process.

My lit circle discussions demonstrate my communication abilities because I was good at contributing to the discussions with my group. I also felt that I was a good listener and tried to keep conversations going within the discussions by leading them and asking questions about peoples takes on what happened in our book. Although I feel I was good at it, I want to improve on my ability to have strong discussions and understand other peoples takes better.

How does the artifact you selected demonstrate strengths & growth in the thinking competencies?

In what ways might you further develop your thinking competencies?

How does the artifact you selected demonstrate strengths & growth in the personal & social competencies?

In what ways might you further develop your personal & social competencies?

Publish Your Self Assessment

You will now attach and/or embed your self-assessment to the bottom of the blog post with the artifact you have chosen. You may choose to make this post private or public. After placing your artifact on a blog post, follow the instructions below.

- Categories - Self-Assessment
- Tags - Now tag your post using the tag that corresponds to the competency that you have written about. You can choose more than one. Please use lower case letters and be exact.
