

Wonder BP2 – Synthesizing Information

Synthesizing information involves putting pieces together. In this part of your research, you will be combining ideas from multiple sources to gain a better understanding of your wonder question.

	Source 3	Source 4	Source 5
<p>Summary</p> <ul style="list-style-type: none">• What big ideas were presented in this source?• What did you learn by reading this post?			
<p>Synthesis</p> <ul style="list-style-type: none">• When these sources are considered collectively, what have you learned about your topic?• What big “pieces” have you put together of your wonder puzzle?<ul style="list-style-type: none">○ Reflect/describe how you have made these connections• What major themes are emerging within your question?	A large puzzle piece shape with a smaller puzzle piece shape inside it, representing synthesis. The larger piece has a tab on its top edge and a blank space on its right side. The smaller piece has a blank space on its left side and a tab on its bottom edge, fitting into the larger piece's blank space.
