Dear Parent(s)/Guardian(s):

As you know, we have been working on integrating technology with all our grade nines and tens. In English class, we would like to use the website "No red ink" or www.noredink.com as a medium for teaching grammar, punctuation and spelling. This site does require an email and a user name so we are asking for parent permission to set up accounts. The policies are outlined here:

<https://www.noredink.com/terms>

<https://www.noredink.com/privacy>

The benefits of this website are:

1. Instant feedback
2. Questions that reflect their interests based on pop culture
3. Individualized learning. Students can choose assignments that fit their unique learning needs as opposed to generic worksheets that may repeat what they have already mastered. In addition, the format allows for them to work at their own pace.
4. Unlimited practice until mastery.
5. Adaptive technology. The site pinpoints mistakes and provides tutorials immediately.
6. Both students and teacher can track progress.

Please sign this consent form which documents your permission for your child to set up an account with Noredink.com. We will be working with students to teach them about the importance of protecting privacy, publishing ethically and responsibly, and conducting themselves in a safe manner on-line. If you have any questions, please do not hesitate to call or email me at sthomasen@sd43.bc.ca or jenelson@sd43.bc.ca.

Sincerely,

Sheri Thomasen
