

# GRAPHIC COMIC ASSIGNMENT

Graphic novels have become popular lately. They are similar to longer comic books, telling a much longer story than the average comic book is able to do in volume.

For this assignment, you will take the short Story, \_\_\_\_\_ and turn into a short Graphic novel.

You will need to include the following:

1. Pick 8 quotes or lines from the story that illustrate the key points of the plot of the story.
2. With each line, you must include an illustration that goes along with the quote or line that you selected.

Please note that the quotes must show the Introduction, Inciting incident, Rising Action, Climax, Falling action and Conclusion.
