

APPENDIX G:

RESEARCHING AND PRESENTING OUR SOCIAL ISSUE

Our team's values are: _____

The social issue we chose is: _____. This issue is important to our team because

How does this social issue impact our local community?

a) Who is impacted by this social issue in our community? _____

b) How many people are impacted every year? _____

c) How are people impacted by this social issue in the short term (days or weeks)?

d) How are people impacted in the long term (months or years)?

e) Specific examples of ways this issue has impacted people in our community:

Record the names of as many local charities as you can that are working to address your social issue. Use different sources to create your list (websites, online searches, talking to friends and family, visiting community centres, etc):

List two interesting examples of work that charities are doing to address the social issue in your community:

1. _____

2. _____

Keep a record of the sources your team uses to find information (e.g. Google, charity websites, community centre, etc)

APPENDIX H:

APPENDIX J:

DECISION MAKING

Which Charity Will Your Team Support?

Use the table below to consider the pros and cons of your three shortlisted charities in order to decide which charity you will visit and research in more detail. Think about how well each charity fits the YPI grant criteria (*Appendix I*).

	Charity #1	Charity #2	Charity #3
NAME OF CHARITY			
HOW DOES IT ADDRESS YOUR CHOSEN SOCIAL ISSUE?			
PROS (POSITIVE THINGS ABOUT THE CHARITY)			
CONS (NEGATIVE THINGS ABOUT THE CHARITY)
