 RED RIVER COLLEGE

What is the Adopt a Rebel program?

The program is designed to provide financial support to our student-athletes and teams. The Adopt a Rebel program provides businesses, community, alumni, family and friends an opportunity to be part of Rebel Athletics. Your generous contribution strengthens our commitment to sport excellence, enhances the experience of being a student-athlete, and helps turn today's student-athletes into tomorrow's community leaders.

Why support the program?

Great varsity programs are built with the help of great supporters. Our student-athletes dedicate a significant amount of time and energy to studying, practicing, playing, and in many cases working part time jobs, as well. Red River College is committed to supporting students who have chosen to pursue athletic goals alongside their academic studies.

Where does my donation go?

Your support of the program directly benefits the RRC Rebels team of your choice.

Funds raised are used for specialized equipment, enhanced training, elevated competitions and student financial assistance - all of which will help take the Rebels to the next level.

Other ways to support

Adopting a Rebel is one of many ways in which your assistance can benefit the student-athletes and the varsity programs at RRC. There are also opportunities in sponsorship, advertising, scholarships and endowment funds. If you would like to discuss a different way in which your contribution could help us meet the financial needs required for our student-athletes to succeed, please feel free to contact the RRC Athletics department for more information.

Adopt a Rebel Support Levels

\$100 - \$249

- Recognition at all games
- Name recognition on our website
- Charitable donation receipt for tax purposes*

\$250 - \$499

- Recognition at all games
