

What Do You Want To Present On LiVE Session?

***Note: We recommend using headphones with an attached microphone instead of speakers to avoid feedback and noise**

Step 1:
Choose your Audience –

Step 2:
What do you want to do?

Step 3:
Choose your Tools -

Final Step 4:

Where do I get these tools?

Hardware –

Web Camerastand, Document Camera such as Elmo or Ladybug, laptop. All this equipment can be obtained by contacting Library's Media Services Department:

Phone: 632-2231

Email: media@rrc.mb.ca

Website: <http://library.rrc.ca/Contact-Us/default.aspx>

Software –

LEARN Sandbox – you can request this through Case Log or by emailing learn@rrc.ca

LiVE room – you create a room inside your LEARN sandbox and invite participants

Visit How-To-Videos on LEARN and learn more about how to add LiVE to your course and schedule rooms for LiVE sessions <http://blogs.rrc.ca/tltc/video/howto>
