Welcome to Red River College's Open House 2019!

Welcome to Open House 2019. On behalf of everyone at Red River College, we are pleased to welcome you to our campuses to learn about the wide variety of programs and services offered.

Open House is an opportunity for us to invite you to find out why at Red River College we say, "What we're doing is working."

At RRC, we take pride in our students' achievements. Our goal is to provide the highest quality education available – leading our learners straight to employment. We strive to keep our curriculum on the cutting edge through partnerships with industry and by using state-of-the-art equipment.

As President of Red River College, I am confident you'll understand why we say, "What we're doing is working," and look forward to again welcoming you as a student.

Regards,

Paul Vogt

President and CEO, Red River College

2019 Open House Campus Tour Options

Tours of the Notre Dame Campus, the Roblin Centre, and the Paterson GlobalFoods Institute are available during our Open House. With over 15 different tours being offered at this year's event, we know that we have one for you. See below for a full list of this year's tour options. See our transportation and parking options (page 2) if you'd like to check out more than one campus.

Please note that tours at the Roblin Centre and Paterson GlobalFoods Institute are all at scheduled times.

Don't see a tour for the program you're interested in? Academic Advisors are available in the Exhibit Hall (North Gym) to ensure your questions are answered. You can also check out our Information Session Schedule (page 11) to see if something is offered for the programs you are interested in.

To take part in one of our specialized tours, simply head to the Campus Tour area of the North Gym, where one of our Student Ambassadors can help you out.
