Instructor, CNC Machinist Technician/CNC Machining and Advanced Technology (Term)

Electrical, Mechanical and Manufacturing

Applicants are to clearly demonstrate how they satisfy the selection criteria in their written submissions and must identify the competition number they are applying for in the subject line of the email.

This competition may be used to establish a 12 month eligibility list of qualified candidates for future vacancies.

DUTIES
Reporting to the Chair of the Electrical, Mechanical and Manufacturing department, the Instructor is required to deliver theory and practical training to students in the CNC Machinist Technician and CNC Machining & Advanced Technology programs. The incumbent is expected to develop and modify curriculum, conduct student assessment and counselling, supervise student practical labs, maintain lab and classroom equipment, maintain accurate program records, effectively maintain classroom activities and perform related duties as assigned.

REQUIRED QUALIFICATIONS
- Red Seal certification in Machinist / Tool and Die Maker; an equivalent combination of education and experience may be considered
- Significant industry related experience in CNC Programming and Manufacturing processes
- Significant industry experience in working with Computer Numerical Control (CNC) equipment
- Effective written and verbal communication skills
- Demonstrated leadership skills
- Ability to work independently as well as collaboratively in group settings
- Effective presentation skills with ability to present material to diverse groups with the use of appropriate technology
- Effective interpersonal skills
- Working Knowledge of Microsoft Office applications: Word, Excel, PowerPoint, Outlook
- Values Diversity, Equity, and Inclusion
- Commitment to lifelong learning

ASSETS
- Post-secondary Instructional experience
- Certificate in Adult Education (CAE) or Technical Vocational Diploma
- Experience in Computer-Aided Design (CAD)
- Experience working in a LEAN manufacturing model or environment
- Experience in fixture design
- Experience with online instruction and learning
- Ability to work remotely

CONDITIONS OF EMPLOYMENT
- Applicants must be legally entitled to work in Canada
- This position may be required to work evenings and/or weekends
