

Instructor, Aircraft Maintenance Engineer

Stevenson Aviation and Aerospace, Southport

Applicants are to clearly demonstrate how they satisfy the selection criteria in their written submissions and must identify the competition number they are applying for in the subject line of the email.

This competition may be used to establish a 12 month eligibility list of qualified candidates for future vacancies.

DUTIES

Reporting to the Chair of Stevenson Aviation and Aerospace, the successful candidate will be a member of the instructional team responsible for the delivery of our nationally approved Aircraft Maintenance Engineer program and other related training. The successful candidate will be responsible for the design, delivery, and evaluation of classroom and shop training for RRC Aviation programs and courses. Other duties can include providing training and college representation off campus as well as participation at symposiums and trade shows. Instructors in this role are responsible for the regular entry of student grades and maintenance of student records.

REQUIRED QUALIFICATIONS

- Valid AME License (minimum 5 years) and/or Equivalent DND, CCAA, or relevant industry training and experience
- Extensive industry experience including work on a variety of aircraft, aircraft components, and powerplants
- Maintenance or maintenance training environment experience including aircraft piston engines servicing, troubleshooting, and repair
- Recent (within 5 years) aircraft maintenance experience maintaining Canadian certified aircraft or experience in instruction of aircraft maintenance training programming. This background should include Rotary Wing and/or Fixed Wing aircraft
- Recent supervisory experience in a Canadian Approved Maintenance Organization (this can include Person Responsible for Maintenance, Aircraft Maintenance Crew Chief, Aircraft Maintenance Team Lead)
- Effective oral and written communication skills
- Effective leadership skills
- Effective presentation skills
- Ability to work independently and within a collaborative team environment
- Proficient in Microsoft Office Suite (Word, Excel, PowerPoint, Outlook)
- Values Diversity, Equity, and Inclusion
- Commitment to lifelong learning

ASSETS

- Teaching experience in a post-secondary environment
- Experience with online instruction and learning
- Ability to work remotely

CONDITIONS OF EMPLOYMENT

- Applicants must be legally entitled to work in Canada
- This position may be required to work evenings and/or weekends
- Instructors are required to complete the Teaching for Learning (TFL) in Applied Application program or have previously completed the Certificate in Adult Education (CAE)
- This position may be required to travel
