

# Audio Visual Technician

## Centre for Learning and Program Excellence

Applicants are to clearly demonstrate how they satisfy the selection criteria in their written submissions and must identify the competition number they are applying for in the subject line of the email.

This competition may be used to establish a 12 month eligibility list of qualified candidates for future vacancies.

### DUTIES

The Centre for Learning and Program Excellence (CLPE) supports teaching and learning excellence at Red River College. The CLPE is hiring 2 Audio Visual Technicians. Reporting to the Manager, Learning Technologies and Educational Development in the CLPE and supervised by the Supervisor of Audio Visual Services, the successful candidate will be responsible for sharing the execution of day-to-day service operations of Audio Visual Services. There are two positions that are available: one starting July 1st will support AV in RRC's new Innovation Centre and the College's other Exchange District campuses, and the second starting September 1st will more generally be responsible for repairs, maintenance, troubleshooting and installation of AV equipment in classrooms and boardrooms at all campuses across Manitoba. Audio Visual Technicians will ensure proper operation of AV equipment to minimize the interruption of learning activities and College business, and they will install AV equipment to best enhance College learning and communications.

### REQUIRED QUALIFICATIONS

- One year College certificate in a field related to electrical systems, IT/Networking or Media Technology. Extensive equivalent experience may also be considered.
- Experience working in the Audio Visual industry supporting and installing AV equipment
- Strong customer service skills
- Excellent problem solving and critical thinking skills
- Ability to take initiative, work efficiently, and prioritize tasks while exercising reasonable judgment in a fast-paced environment with minimal supervision
- Excellent verbal communication skills
- Excellent written communication skills
- Values Diversity, Equity, and Inclusion
- Commitment to lifelong learning

### ASSETS

- Experience with installing, configuring and programming Crestron, QSC and Mersive equipment
- Experience installing and terminating communications cable
- Manitoba Class M Voice, Data, Video cable installer limited electrician's license
- Avixa certification (CTS, CTS-I, CTS-D)
- Experience working in an academic environment

### CONDITIONS OF EMPLOYMENT

- Applicants must be legally entitled to work in Canada
- This position may be required to work evenings and/or weekends

Red River College is a leader in applied learning and innovation. Our talented team of employees is passionate about education, innovation and student success. We offer competitive salaries, extensive benefits and the opportunity for personal and professional growth in a rewarding career.

At Red River College we are committed to fostering an inclusive environment, where all employees and students feel valued, respected and supported. The College seeks to increase diversity among its community members and welcomes applications from women, Indigenous persons, racialized persons, persons with disabilities, persons of all sexual and gender identities and others who may contribute to the further diversification of ideas. All qualified candidates are encouraged to apply; however, Canadians and permanent residents will be given priority.

Red River College is committed to providing accessible employment, and ensuring that our recruitment, assessment and selection process is barrier free. If a candidate requires accommodation during the hiring process, Human Resources Services will work with the individual to meet their needs. We thank all applicants for their interest, but only those selected for an interview will be contacted. For more information and other employment opportunities, visit [rrc.ca/hr](http://rrc.ca/hr)
