

RED RIVER COLLEGE

# Spring 2021 Convocation

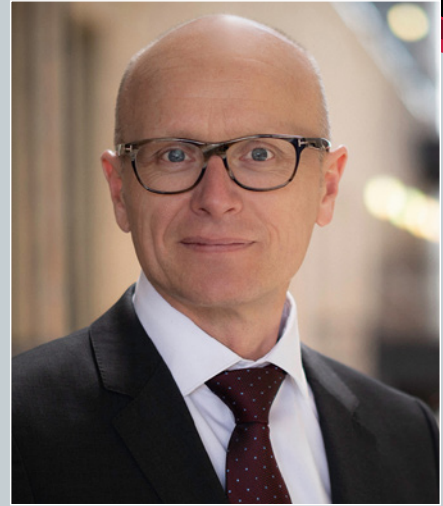

Tuesday, June 15 | 3pm

## PRESIDENT'S MESSAGE

### Congratulations, Class of 2021!

On behalf of Red River College, it is my honour to congratulate you on your graduation – a milestone achievement that marks the beginning of your successful future as you enter Manitoba's workforce.

This last year has been challenging. It has disrupted the way we teach and the way you as students learn. Despite this, together we've adapted, we've overcome and we've embraced new ways of doing to get us to this moment. The day is finally here – you did it!

As we celebrate your hard work to get to this moment, I also want you to take time to reflect on the dedication and perseverance it took to get here. You've stayed focused and committed to your education at a time that has tested many of us in ways we could have never imagined. Remember that it is this strong work ethic, willingness to learn and can-do attitude that will help you continue to grow and excel as you embark on your career.

The workforce you are entering today isn't the same workforce it was a year ago, but you aren't the student you were a year ago, either. You are here today because you have demonstrated that you are ready to take the hands-on learning, problem-solving and decision-making abilities you've obtained and put them into action to help transform our workforce and rebuild our economy – at a time when these critical skills are more important than ever.

Today, you are graduating with the skills and knowledge you need to do great things in your career. You are our future leaders, you will disrupt the status quo and you will determine new and innovative solutions as we work together to rebuild Manitoba's economy.

I hope you feel a renewed sense of hope and optimism as we look toward the bright future ahead.

As you close this chapter as a student and move forward in your career, you now join the ranks of our incredible alumni community – over 70,000 strong – who are achieving great things, and I can say with great confidence, I know you will too.

Congratulations!

A handwritten signature in black ink, appearing to be 'F Meier', written in a cursive style.

**Fred Meier**  
President and CEO

# RRC BOARD OF GOVERNORS

Dear Graduates:

On behalf of the Board of Governors of Red River College, I want to congratulate all of you on the remarkable accomplishment you have made today by completing your studies and taking the next step toward a bright and rewarding future.

Each year, we see our graduates move on to become leaders in their fields and in our communities, and I am confident that your talent and determination will push you to make a positive impact, wherever your career may take you.

We are proud to welcome you as Red River College's newest alumni, and I know that your continued success will only serve to strengthen the College's reputation as a leader in the realm of higher education in Manitoba.

Loren Cisyk

## RED RIVER COLLEGE

### 2021 LIEUTENANT GOVERNOR'S MEDAL AWARD WINNERS

Every year, Red River College awards up to four Lieutenant Governor's Medal awards to graduating students who excel in academic and technical achievement, involvement in College and/or community activities, and good character. This year, Red River College is proud to recognize two winners who embodied every aspect of the award.

**Laura Dyer, BUSINESS ADMINISTRATION**

Laura Dyer is a graduate of Red River College's Business Administration program, with a major in Marketing.

The COVID-19 pandemic and the transition to online learning was a challenge for many students, Laura included. Throughout the last 15 months, Laura remained committed to her studies – completing her final exams with a cumulative GPA of 4.23 – and to her community throughout her academic journey.

Community involvement has always been important to Laura; she has been a volunteer with Motion Ball for Special Olympics and Larche Winnipeg – organizations supporting individuals with intellectual disabilities – for three years. She describes these volunteer experiences as life-changing because of the selfless and kind people she has had the honour to develop relationships with.

She is also an active member of the RRC community, participating on both the women's soccer and futsal teams.

Recognizing the challenges the pandemic was having on people's mental and physical health, she volunteered her time as an online fitness instructor five days a week to provide home workout videos to individuals in the community.

Laura is described by her nominators as an ambitious, motivated, enthusiastic leader, and an "outstanding performer with a shining personality."

## RED RIVER COLLEGE

### 2021 LIEUTENANT GOVERNOR'S MEDAL AWARD WINNERS

Every year, Red River College awards up to four Lieutenant Governor's Medal awards to graduating students who excel in academic and technical achievement, involvement in College and/or community activities, and good character. This year, Red River College is proud to recognize two winners who embodied every aspect of the award.

**Sadie Tait, BUSINESS ADMINISTRATION**

Sadie Tait is a graduate of Red River College's Business Administration program, with a major in Accounting. After a successful career working as an insurance broker, Sadie was ready for the next challenge and enrolled in the program at RRC's Portage la Prairie Campus.

In her first year in the program Sadie excelled, achieving perfect scores on several exams and tutoring her peers. When the College transitioned to online learning as a result of the pandemic, Sadie maintained her high grades and transferred to the Steinbach Campus for her final year to pursue an accounting major.

The summer before her final year, she learned she was pregnant with her first son. She maintained her grades and worked hard to complete her program online, and she and her husband welcomed him into the world two weeks before she completed her final exams in April 2021.

While completing her studies, Sadie worked part-time, served as an elected councillor for the Municipality of North Norfolk, and volunteered for several organizations in her community, including the MacGregor and District Kinette Club, MacGregor-Austin Senior Support Program, MacGregor Curling Club, and the MacGregor Chamber of Commerce. Sadie received five glowing letters of recommendation in support of her nomination, describing her as a leader, professional, hard-working and an essential asset to her community.

---

## 2021 RED RIVER COLLEGE STUDENTS' ASSOCIATION TEACHER AWARD OF EXCELLENCE

---

Each year, the Red River College Students' Association presents a Teacher Award of Excellence in recognition of an instructor's outstanding teaching practices and dedication to students.

Typically, the RRCSA receives approximately 100 submissions for this award. This year, they received over 450 submissions from students whose instructors made a difference in their learning – in a year like no other.

### **Darren Stebeleski, GRAPHIC DESIGN INSTRUCTOR**

The 2021 RRCSA Teacher Award of Excellence has been awarded to Darren Stebeleski, Graphic Design Instructor in Creative Arts, who has been with the College for 10 years this August.

After a successful career working in the graphic design industry, Darren was drawn to teaching because he realized he enjoyed talking about and studying design even more than he liked practicing it. It was then that he pursued his master's degree, with the goal of teaching design.

When asked what inspires and excites him most about teaching, Darren says he loves introducing students to the idea that design is everywhere around us.

Over the last 15 months, like many instructors across the College, Darren had to pivot his graphic design classroom to an online, virtual format – a challenge for many, but as Darren explained, he also viewed this as an opportunity to connect with students differently and equalize his classroom in many ways. Darren received 14 nominations from students for this award.

In the submissions, there were several recurring themes and words students used to describe Darren, including: encouraging, enthusiastic, going above and beyond, informative, prepared, and caring.

"It's significant to me that this recognition is coming from the people who I am here to serve," says Darren. "That they would go out of their way to suggest that I am deserving of such an honour is so deeply meaningful, it's difficult to even speak about without getting emotional. I'm just trying to do my job to prepare them as best as possible to navigate what can be a very difficult industry. To me, the way the students have risen to the challenge of working during this year is what has been truly remarkable."

Congratulations, Darren!

### Gabriel Langlois Community Development

*Red River College awards an Honorary Degree or Diploma to an individual who demonstrates high standards of excellence in their personal and professional achievements, and whose involvement in the community is widely recognized.*

For the last 35 years, Gabriel Langlois has undeniably been one of the most well-known and beloved Manitobans at any sporting or special event across our province.

And while it's often his presence and enthusiasm for Winnipeg that captures attention, it's his integrity, devotion to volunteering, community spirit and uplifting positive attitude that captures hearts. These qualities moved Red River College to award Gabriel the Honorary Diploma in Community Development at the 2021 Virtual Winter Convocation ceremony.

Even though Gabriel did not pursue post-secondary education, his academic accomplishments are nothing short of remarkable, especially for someone diagnosed with autism in 1964. His teachers and principals were unanimous in praising Gabe's exceptional skills and commitment to his studies at Glenlawn Collegiate, where he graduated high school in 1981.

Since then, Gabriel has made significant contributions to the community and has been widely recognized for his tireless engagement efforts and friendly demeanor. From top levels of Manitoba's government to fans of the annual Santa Claus Parade, he is widely recognized as Winnipeg's "Feel Good" Ambassador.

The list of Gabriel's awards and achievements is nearly a page long, and includes the Premier's Volunteer Award, the Queen's Diamond Jubilee Medal, and the City of Winnipeg Community Service Award.

Last September, his many volunteer accomplishments culminated in his being awarded the Sovereign's Medal for Volunteers, which recognizes the remarkable achievements of Canadians from across the country in a wide range of fields. He has demonstrated his integrity and trustworthiness over the past 35 years as a volunteer and part-time employee of the YMCA-YWCA of Winnipeg.

Gabriel Langlois is a Manitoba icon, devoted volunteer and inspiring community hero. He reflects the very best of our community – and the best of Red River College, given our commitment to learning, respect, inclusiveness, integrity and community values.

With his positive attitude, commitment to the community, and the admiration of an entire province behind him, we are proud to award Gabriel Langlois the Honorary Diploma in Community Development.

*The Honorary Diploma was presented at the Winter 2021 Convocation ceremony on February 23, 2021.*

## RED RIVER COLLEGE GOLD MEDALS

Red River College Gold Medals recognize graduates in diploma and degree programs who attain the highest cumulative program grade point average at or above 3.80. Each program selects and awards one gold medal for each academic year. The gold medalist may complete their program and convocate in either the fall, winter or spring convocation ceremony.

\*Fall 2020 graduate

\*\*Winter 2021 graduate

Advanced Care Paramedicine .....	Cameron White
